**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

**Sir:**

Pursuant to 37 C.F.R. §§ 1.56 and 1.97, the Information Disclosure Statement was submitted in the above-identified patent application on December 8, 2004. However, the Korean Unexamined Utility Publication number was incorrectly stated on the PTO Form 1449, accompanying the previous Information Disclosure Statement.

Therefore, this Supplemental Information Disclosure Statement is submitted herewith to correct the document number listed on PTO Form 1449. The Korean Utility Patent Publication Number should have been "1995-15152". Since this Supplemental Information Disclosure Statement is being submitted only in connection with a reference already made of record and only to address a formal matter, it is believed that no fee is due or payable at this time.

The Examiner is requested to acknowledge consideration of the information provided in this paper in accordance with prescribed procedures.

Please charge any additional fees or credit any overpayments in connection with this paper to Deposit Account No. 08-1480.

Respectfully submitted,
